

TWENTY FOUR
ST ANDREW SQUARE
EDINBURGH

60% LET

OFFICES FOR ALL

With 18,967 sq ft of space remaining, 24 St Andrew Square provides prime office accommodation within a prestigious Edinburgh setting. Providing one of the city’s most desirable business addresses, the building delivers attractive, efficient and highly sustainable offices with exceptional amenities. At the heart of Edinburgh’s prime commercial core, it is a building designed to delight all tastes.

- 

Fully electric building
- 

EPC ‘A’
- 

BREEAM ‘Excellent’
- 

New M&E throughout
- 

Spacious reception & lobby area
- 

Dedicated wellness & new WCs

THE CLASSICIST

The building's classical exterior blends perfectly with the Georgian splendour of St Andrew Square. Overlooking gardens which have witnessed 200 years of Edinburgh's history, it is still the city's foremost business location.

Twenty Four St Andrew Square

03

THE MODERNIST

Behind the traditional façade, 24 St Andrew Square has been refurbished to the highest specification. From club-style wellness facilities to fantastic sustainability credentials, the building offers everything to satisfy the needs of today's occupier.

THE OPEN-MINDED

Twenty Four St Andrew Square

05

The office floors deliver regular and efficient open plan space which is flooded with natural daylight. All new Cat A specification with fully electric air conditioning, LED lighting and flexible service voids offer a wide range of occupier fit out and subdivision options.

THE DRAMATIST

The remaining Ground and Lower Ground floors are available separately or could be connected via an internal stair to create a single suite over two floors.

Architect's images showing interconnecting stair similar to that used to connect the Third and Fourth floors of the building.

Twenty Four St Andrew Square

THE VISIONARY

Behind an impressive Georgian facade the building offers entirely modern open plan space. The space is fully serviced, offering unique opportunities to work, entertain and relax.

THE ENERGETIC

Edinburgh is a compact city, perfect for commuting by bike or on foot, and an attractive backdrop for exercise at any time. The club standard amenities at 24 St Andrew Square are designed to fully embrace these opportunities.

Designated
drying room

THE ENVIRONMENTALIST

24 St Andrew Square is designed to meet exacting environmental standards. Fully electric and ‘non combustion’ in operation, the retention of the building shell in the refurbishment has achieved a significant lifecycle carbon saving compared to new build construction.

FOSSIL-FREE  Fully electric building	BREEAM  ‘Excellent’	EMBODIED CARBON  Over 5,000 tonnes saved
EV CHARGING  3 spaces enabled, with upgrade potential to 100% with EV charging	EPC  ‘A’ rating	WHOLE LIFE CARBON  Achieves RIBA 2030 whole life carbon built target

St Andrew Square is Edinburgh's public transport hub. With a tram stop, the city's main bus interchange and a short step from Edinburgh's principal railway station it is central to Scotland's commuter infrastructure. It is also on Scotland's green cycle network and within an attractive walk of much of the city.

THE COMMUTER

 Edinburgh's main bus station providing over 50 services daily throughout the city	 Trams every 7 minutes from St Andrew Square	 35 minutes from St Andrew Square Tram Stop to Edinburgh Airport	 Journey Times from Waverley Station: Glasgow Queen Street Station 52 minutes London Kings Cross Station 4 hours 42 minutes	 National Cycle Network Route 75  National Cycle Network Route 1
--	--	--	---	--

THE NETWORKER

St Andrew Square is the place to be for business. Its renaissance over recent years has attracted diverse businesses and offers an opportunity rich environment to make connections and to attract talent.
